

The Pickering Horse Centre is a hunter/jumper equestrian centre located in Pickering, Ontario. The facility has six large outdoor riding rings, an indoor riding arena, an air conditioned club room and a wide range of horses for all levels. The Pickering Horse Centre has been operating since 1978.

Camp sessions run from Monday to Friday, 8:30 am to 3:30 pm. The specialty at the camp is catering to children ages 6 - 15.

The camp sessions are structured to benefit all levels of riders from beginner to advanced. Campers are divided into groups based on their level and receive two structured lessons daily. All coaches and instructors are certified with Equine Canada and have current first aid certification. Beginner lessons will be taught with the emphasis on sound basics of equitation and good horsemanship. For the intermediate/advanced rider, a more extensive program is offered which allows riders to continue developing their riding skills in order to meet higher goals. Campers will work in a safe and friendly environment with supervision at all times.

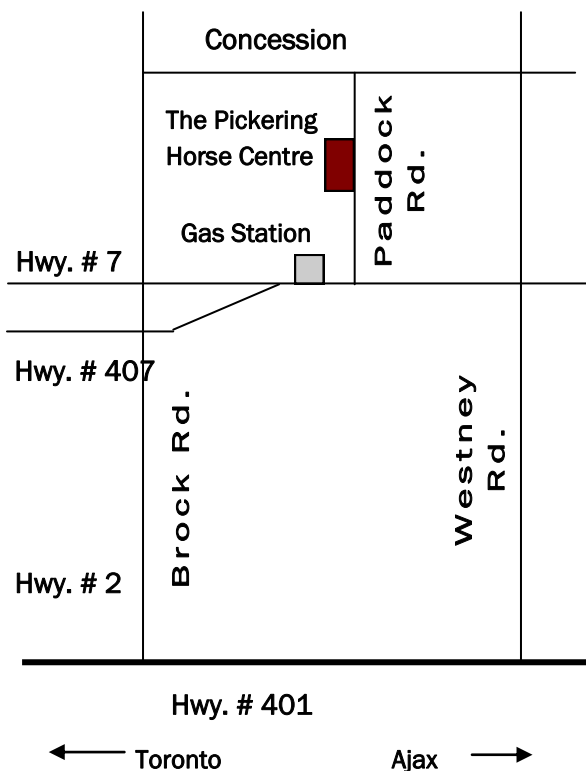

Campers also have the opportunity to participate in:

- Arts and Crafts
- Horse Theory Sessions
- Games
- Gymkhanas
- Theme days

Each session of horse camp ends with an open house. This gives campers the opportunity to show off their skills to family members.

The Pickering Horse Centre is a member in good standing with The Horse Facility Council of the Ontario Equestrian Federation and is licensed by the municipality of the City of Pickering.
