NOVEMBER EVENTS

Membership Fee: \$50

Membership Benefits:

- A membership card
- PHC logo wear
- A 20% discount on one in house schooling show

Theory sessions– In this months theory sessions students will be separated by their testing level. The focus for this month will be horse health. (TPR, un-soundness, blemishes, treatments etc)

Gymnastic– Back by popular demand... Gymnastics are a series of obstacles set up for riders to improve their base of support, equitation and confidence. Obstacles include cross rails, verticals and oxers. Beginner riders will work over a series of poles as a gymnastic.

Journal Club- This month students will be working on mental training exercises to improve their ride. Journals will be passed from student/parent to coach throughout the month to use as the communication on their performance.

Course Designing– Students will learn the logistics of setting up courses. They will learn about walking distances, related jumps, roll backs, bending lines and different types of jumps. Advanced students will be making their own course for the November in-house show.

Bring A Friend– Students can use this opportunity to bring a friend for a riding lesson. Student and friend/family member will ride together in a group lesson where they can show off their skills
